As this was the first meeting of the year we went around the table with introductions including our connection to the school, and an ‘aha!’ moment that we had over the summer.

Introduction from Todd

- 1) Todd asked us to form smaller groups and think of ways that parents, teachers, admin and RVS can contribute to the overall success of schooling and how all four pillars are connected.
- 2) School update- Coopers has about 530 students this year and is currently housing about 97 Northcott Prairie students for the time being.

Trustee Report- Melyssa Bowen

- 1) Melyssa introduced herself as she will be the trustee at our meetings for the next year.
- 2) She updated us on the construction of Hillcrest and it is still on track to be done in January.
- 3) There are 911 more students in the RVS system this year across the entire district. This equates to a need of a new school within the RVS system each year according to Melyssa.
- 4) They are working on the Bill 8 changes and updating policy which is a focus for them right now.

Position Voting

Alicia C. was voted in the communications position. This was motioned by Jen M. and James second the motion. Many positions including a part time secretary, volunteer coordinators (2), Christmas Market Lead, Christmas Market Vendor Lead are available. Please contact Bobbi Jo at bobbideklerk@gmail.com or Keely at keely.brower@hotmail.com if you are interested in helping out.

Christmas Market- Paypal/etransfer

We discussed the best way to obtain payment from vendors for their spot in the market. Rockyview is trying to go cashless so we want to go that route as well. Bobbi-Jo and James were going to look into etransfer options where the society bank account is held and see if this could be an option.
