Onto the budget priorities - Supports staying the same are mental health supports, and literacy and numeracy skill development. They are also budgeting for the idea that the pandemic may still be present.

Curriculum – RVS has decided not to pilot the curriculum, for two reasons -

1. We are in the middle of a pandemic and teachers are already being asked for enough.
2. Concerns of the trustees as well as parents that have emailed in with concerns with the proposed curriculum.

Parents are encouraged to send concerns to the trustees. Feedback is also able to be given to MLAs, or on the government survey. Please be specific. Todd H will make sure the link to the survey link is included in Friday's email again.
